RE: PSC Docket No. 2006-108-E

Dear Mr. Terreni:

On April 6, 2006, Carolina Power & Light Company, d/b/a Progress Energy Carolinas, Inc. ("PEC") filed with, and for approval by, the Commission an Application for the Supply of Electricity by PEC to a new customer, Grant Clarendon. The rates PEC is proposing to charge Grant Clarendon are confidential; therefore, PEC filed both a redacted and unredacted copy of the Application. PEC asked the Commission to return the unredacted copy to PEC upon the conclusion of the Commission's consideration of this matter. The purpose of this letter is to withdraw PEC's request that upon the conclusion of the Commission's consideration of this matter the unredacted copy be returned to PEC.

Yours very truly,
